Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is $250.00, your bid sheet should be as shown on the right.

The bid which you enter is the "maximum amount" or top price you are willing to pay for the lot. However, there is always the possibility that you may obtain the lot for less.

Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sale.

Thank you,

The Auction Department

Superior Auction Galleries of Beverly Hills

TERMS OF SALE

1. This is a public auction sale held in Beverly Hills, California by licensed and bonded auctioneers. The licensed auctioneers are Ira M. Goldberg, License Number A123 and Lawrence S. Goldberg, License Number A2591.

2. The auctioneer, and cataloger, Superior Galleries ("Superior") reserves the right to include in any auction sale its own material as well as material from affiliated or related companies. Superior, and its affiliated or associated companies may have direct or indirect interest in these, or other items, and may collect a minimum price from the consignor in addition to part, or less, than the full selling commission mentioned elsewhere in these Terms. This paragraph shall be deemed a part of the description of all lots contained in this catalog.

3. Consignors or their agents may be permitted to bid on their own lots in the sale pursuant to a separate agreement with Superior, or its affiliates or related companies, and may receive a rebate commission in whole or part if successful. Under some circumstances, Superior may agree with a consignor to not require the consignor to pay in whole or in part for items bid upon or re-purchased by the consignor, or when or where an advance has been made, and instead to have the consignor pay an agreed upon difference to Superior, or to offset against other transactions with consignor. Where the consignor has re-purchased a lot; party has not been reached, and a lot is either returned to the consignor or otherwise dealt with or disposed of in accordance with the consignor's direction, or pursuant to contractual agreement, Superior reserves the right to so note in the prices realized or to omit a price from the prices realized. Every consignor who registers to bid in the sale, whether to "protect" a lot, or for any other purpose, agrees to this and all other terms of sale.

4. Superior, or affiliated or related companies,may make loans or advances to consignors and/or prospective purchasers.

5. Superior, and its affiliated or related companies, may bid for his or its own account at any auction (even though it may not be required to pay a buyer's premium, or other charges that other bidders may be required to pay) and may have access to information concerning the lots and items contained therein that is not otherwise available to the public. Any conflict of interest or claim of competitive advantage resulting therefrom is expressly waived by all participants in the sale.

6. Because of the fungibility of rare coins, all lots may carry a reserve, a confidential price below which the auctioneer will not sell an item or will re-purchase on behalf of the consignor or for the account of Superior.

7. The auctioneer may open the bidding on any lot by placing a bid on behalf of the seller, a mail bidder, Superior,(or any affiliated or related company) or any other participant in the sale. The auctioneer may bid further on behalf of the seller up to the amount of the reserve, by accepting bids from floor agents on the part of the consignor, or any affiliated or related company of the auctioneer or the consignor, by placing successive or consecutive bids for any lot, or by placing bids in response to other bidders. The auctioneer may accept or decline any bid, or challenge to any bid or bidding increment, as he, in his sole discretion shall determine. It is unlawful and illegal for bidders to collude, pool, or agree with another bidder to pay less than the fair value for a lot. Bidders in the sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorney's fees for those who violate these provisions.

8. This catalog contains the description of property of multiple consignors, and may include consignments from Superior, its principals, and affiliated or related companies and their employees, officers, or principals. All persons seeking to bid, whether in person, by an agent or employee, phone, or by mail, must have a catalog and register to bid. By submitting a bid, whether in person, by mail, by phone, or through an employee or agent, the bidder acknowledges receipt of the catalog, that the bidder has read the terms and conditions of sale, the descriptions for the lots on which they have bid, and that they agree to adhere to these terms of sale. No matter where signed, the agreement shall be deemed to have been made in California. The bidder acknowledges that the invoice describing a lot by number incorporates the catalog by reference.

9. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders, except consignors, regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid. The buyer's commission will be added to all invoices except for reacquisitions by consignors in which case a reacquisition charge may apply. The reacquisition charge may be higher or lower than the buyer's commission and is determined by separate written agreement with Superior.

10. All material shall be sold in separate lots to the highest bidder as determined by the Auctioneer. If any dispute arises during or immediately after the sale of a lot, Superior shall have the right to rescind the lot offered and put the lot up for sale again. In all cases, Auctioneer's decision shall be final. For the mail bidder's protection, no "unlimited" or "buy" bids will be accepted. The auctioneer may reject any bid received.

11. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. Contact the Auction Company for wiring instructions before sending a wire. The auctioneer reserves the right to decline to release lots for which funds have not yet cleared. On any accounts past due, Superior reserves the right to extend credit and impose periodic charges as stated in these Terms of Sale or on the invoice or statement. Buyer agrees to pay reasonable attorneys fees and costs required to collect on such past due accounts. On any cash transactionor series of transactions exceeding $10,000, Treasury Form 8300 will be filed, and on transactions exceeding $3,000, an informational return will be filed to the extent required by law. Lots must be paid for the earlier of receipt of invoice or delivery.

12. **No credit card purchases will be accepted.** Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the terms and conditions of sale herein and agrees to be bound thereby on behalf of the bidder.

13. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and/or principals of the corporation agree to personally guarantee payment as part of their agreeing to bid, and the corporate representative present at the sale represents that a corporate resolution binding each such officer is on file with the corporation in its minute book which shall be presented to Superior upon request.

14. By bidding in this sale, the bidder certifies to the auctioneer, the cataloger, and Superior and any affiliated or related commpany, that they are not engaging in a consumer transaction and that they are not seeking to acquire the lots for personal, family or household purposes. If a corporation is the bidder, such bidder certifies that the purchase is in the ordinary course of business has been approved by the Board of Directors.

15. Floor bidders and mail bidders who have not established credit with Superior or the auctioneer must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as Superior may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded upon clearance of the funds.

16. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless the auctioneer otherwise determines. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

17. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since **no lot purchased by a floor bidder may be returned,** including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot prior to sale. **There are no returns or refunds except by reason of lack of authenticity, unless provided elsewhere in the catalogue or these terms of sale.**

18. a. All items offered in this catalogue are guaranteed to be genuine. This is a limited warranty that the item sold is not counterfeit, and that its date or mintmark has not been altered and that the coin has not been "repaired". Any other warranty is expressly disclaimed; Superior offers no representation that a numismatic item has or has not been cleaned; that any toning is natural or artificial; that any coin will meet the standards or grade of any grading service; that any item has a particular provenance or pedigree, or that a numismatic item is struck or produced in a particular style.Any statement concerning this is a matter of opinion only.
b. All claims to the contrary must be made in writing to Superior within ten (10) days after receipt of material.
c. No lot may be returned without prior written consent of Superior.
d. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.
e. If a lot is to be returned, it must be housed in its original, sealed and unopened container.
f. Late remittance or removal of any lot from its original container constitutes just cause for revocation of all return privileges for any reason.
g. In the event of a dispute, after Superior has settled with the consignor, purchaser agrees that purchaser's sole remedy shall be as against the consignor.
h. Superior shall not be bound by any prior, or subsequent opinion, determination or certification by any grading service and lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within ten (10) days of receipt of material.
i. The descriptions contained herein represent the cataloger's good faith opinion or the opinion of a Grading Service where indicated as to the state of preservation and strike. Where an independent grading service is utilized, cataloger has provided the information strictly for the convenience of the mail bidder. All floor bidders are presumed to have viewed the lots bid upon, and warrant to Superior that they have examined the lots. All floor bidders acknowledge that Superior and the auctioneer will rely on such warranty, and that the auctioneer will decline to accept their bids if they have not in fact looked at the lot. No warranty, whether express or implied, including a warranty of merchantability is made with respect to any grading description which is an opinion only that is likely to differ, even among experts. Any disagreement as between the bidder or purchaser and the actual grade of the coin is, after the date of the sale, strictly between the purchaser and the grading service, without recourse to Superior or the the Consignor, to the extent that such service grants any right to the purchaser. If the grading service grants no such rights, purchaser's remedies are limited as set forth in these Terms of Sale.
j. Grading or condition of rare coins may have a material effect on the value of the items purchased; and the opinion of others (including grading services) may differ with the grading opinions or interpretations of Superior.
k. All sales of items viewed by purchaser in advance of a sale, even if the sale is by mail, and all lots bid upon by floor bidders, and all those presenting Superior with a resale certificate, out of state resale certificate, or similar evidence is acting as a dealer are final.
l. All oral and written statements made by Superior and its employees (including affiliated and related companies) are statements of opinion only , and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Superior has authority to vary or alter these terms of sale. Any alteration shall be effective only if in writing and signed by an officer.
m. Bidders shall have no recourse against the consignor for any reason whatsoever.
n. **Coins listed in catalog as graded by PCGS or NGC may not be returned for any reason.**

19. Superior reserves the right to open the lot at a reasonable price and to withdraw any lot at any time, even after the hammer has fallen, until the buyer has taken physical possession of the lot. No consignor who has registered to bid at the sale (or at any other time unless otherwise provided in the consignment agreement), or any buyer or prospective bidder shall have a right to claim any consequential damages if a lot is withdrawn, even after the sale.

20. When identical bids are received by Superior for a lot, preference is given to the first bid received as determined by the auctioneer. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the lot at any level deemed appropriate by the auctioneer and to determine the prevailing bid, in his sole discretion.

21. Auctioneer is not responsible for errors in bidding. A bidder should make certain to bid on the correct lot and that the bid is the maximum (plus the ten percent (10%) Buyer's Commission) that he or she is willing and able to pay. Because other bidders (by mail and in person) are present, and because a re-offering could damage the momentum of the sale, once the hammer has fallen and the auctioneer announced the winning bidder, such bidder is unconditionally bound to pay for the lot, even if the bidder has made a mistake.

22. Sales tax, if required by law to be collected, postage, handling and insurance plus the ten percent (10%) Buyer's Commission, and any other taxes required by law to be charged or collected will be added to the invoice for any lot(s) that is invoiced to the successful bidder. On any tax not paid by purchaser which should have been paid, even if not collected by Superior by mistake, error, negligence or gross negligence, purchaser agrees to pay the same on demand together with any interest or penalty that may be assessed. Purchaser grants to Superior or its assigns the right to offset any sums due, or found to be due, under these Terms of Sale, or any sums due purchaser by Superior, and to make such offset from any past, subsequent or future consignment, or items acquired by purchaser in possession or control of Superior or any affiliated or related compamy, or any sums due purchaser by Superior, and the further grants Superior a purchase money security interest in such items to the extent applicable. Purchaser agrees that Superior and its assigns shall be a secured party with respect to items of purchaser in possession of Superior to the extent of the maximum indebtedness, plus, all accrued expenses, until the indebtedness is paid. Purchaser grants Superior the right to file a purchase money security interest on such items without need for debtor's signature, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Superior.

23. In the event of a successful challenge to the title to any goods purchased, the auctioneer agrees to reimburse any purchaser in an amount equal to the successful bid at auction plus any buyer's commission paid, in full and complete satisfaction of all claims (which, once tendered by Superior, relieves and relinquishes it from any responsibility whatsoever to the buyer, even if the instrument is not cashed or is returned in the event that it is determined that the purchaser has not acquired transferable title to the lot). By bidding in the sale, bidder expressly consents to waive any claim for auctioneer or cataloger, Superior or its affiliated or related companies, arising out of, or in connection with, the sale or regulator, no third party shall be entitled to rely on any benefit or right conferred by these terms and conditions of sale on any bidder or purchaser. Any bidder in the sale availing themselves to this paragraph agrees that its use acts as an assignment of their rights to Superior, or its assigns.

24. Title to any lot remains with consignor, any secured party of the Consignor, or consignor's assigns, until the lot is paid for in full. Superior reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his or her possession. Risk of loss is on the buyer. If a dispute arises concerning ownership of a lot that has been bid upon, Superior or any affilated or related company reserves the right to commence a statutory interpleader proceeding at the expense of the consignor and successful bidder and any other applicable party, and in such event shall be entitled to its reasonable attorney's fees.

25. In the event a successful bidder fails to make payment when due, Superior reserves the right to resell the merchandise, or to have an affiliated or related company do so, and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and any previous disbursements, including reasonable attorney's fees. Such cataloging of an item, and any other reasonable charges, including securing opinion of counsel if necessary . Any excess shall accrue to Superior as part of the cost of undertaking the sale.

26. Purchaser agrees that any claim or controversy arising out of or relating to the formation, interpretation or performance of these Terms and underlying transactions or the breach thereof, is subject to binding arbitration in accordance with the rules of the Professional Numismatists Guild, Inc., except for any claim or controversy arising out of non-payment which may be referred to judicial proceedings at the option of Superior. Arbitration or judicial proceedings shall take place in the County of Los Angeles and the State of California.

27. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will earn interest at the highest rate permitted by California law until it is paid. In the event it exceeds the sum permitted by law, the same shall be adjusted to the maximum legal rate. If the matter is referred to an attorney for collection, bidder agrees to pay all reasonable attorneys fees, court costs and other collection costs incurred by Superior, its assigns, or any affiliated or related company to collect past due invoices and that the service of process by certified or registered mail, return receipt requested, shall be sufficient to confer full "in personam" jurisdiction over bidder and/or any other firms that the bidder represents. Superior reserves the right to assign its interest to any third party.

28. All photographs in this catalog are of the actual items being sold but may not be the actual size.

29. Superior and the auctioneer reserve the right to postpone the auction sale or any session there of for a reasonable period of time for any reason whatsoever, and no bidder or prospective bidder shall have any claim as a result thereof, including consequential damages.

30. Neither Superior, the Auctioneer, or any affiliated or related company shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditions of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

31. The sole remedy that any participant in the auction shall have, whether bidding in person, by mail, or through an employee or agent, for any claim or controversy arising out of the auction shall be a refund of the original purchase price and premium paid, if any. Interest shall be paid by Superior at a rate of no greater than nine percent (9%) per annum, up to a maximum of six (6) years, unless the rules of the Professional Numismatists Guild provides for a higher rate of interest or a longer period of time, in which case such rules shall prevail. A lower rate, or shorter period, may be decided by the arbitrators.

32. Upon payment of a disputed sum as determined by the arbitrators, or in full at the maximum rates set forth above, or at an agreed rate, Superior, its affiliated or related companies, and employees thereof, shall be deemed released from any and all claims of the bidder arising out of or in connection with the sale of such property. Buyer agrees to execute prior to delivery of any refund and documents reasonably requested to effect the intent of the paragraph. Should the buyer decline to do so, buyer hereby grants to Superior a limited power of attorney to unconditionally effect such release.

33. Rights granted to bidders and Purchasers under the within terms of sale are personal and may not be assigned or transferred to any other person or entity, whether by operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these terms and conditions of sale and terms of warranty on any bidder or purchaser. "Purchaser" shall mean the original purchaser of the property from Superior and not any subsequent owner or other person who may have or acquire an interest therein. If purchaser is an agent, the agency must be disclosed in writing to Superior at or prior to the time of sale, otherwise the benefits of the warranty shall be limited to the agent and not transferable to the undisclosed principal.

34. Should any third party attempt to utilize any warranties contained herein, they shall first give Superior thirty (30) days written notice by Registered Mail or Certified Mail Return Receipt Requested during which time Superior may, should it choose to contest the third party's claim, ask the Professional Numismatists Guild Inc. or the American Arbitration Association to appoint a panel of three arbitrators skilled in the field to make such a determination at Los Angeles, California.. By seeking to use such remedy, the third party unequivocally and without reservation consents to binding arbitration, and its conclusive and binding determination of any alleged damages as a sole and exclusive remedy. With respect to any other pertinent notice requirements, venue and personal and subject matter jurisdiction, said third party is bound to the provisions pertaining to bidders, buyers and purchasers, as otherwise provided for in these terms of sale.

35. If the Purchaser fails to comply with one or more of these Terms and Conditions of Sale then, in addition to all other remedies which it may have at law or in equity, Superior, and any affiliated or related company, may, at its sole option, either (a) cancel the sale, retaining as liquidated damages all payments made by the Purchaser, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell some or all of the property and some or all other property of the Purchaser held by Superior, in a quantity sufficient in the opinion of Superior to satisfy the indebtedness, plus all accrued charges. More than one such sale may take place at the option of Superior. Such sale may take place without notice to purchaser; if Superior gives notice, it shall be by regular mail to the address utilized on the Bid Sheet, Consignment Agreement or other address known to the firm. Such sale will be at Superior's standard commission rates at public or private sale, with or without California or at any other location determined by Superior, at which time (if the sale be at auction) the defaulting party shall not bid nor be permitted to bid. The proceeds shall be applied first to the satisfaction of any damages occasioned by Purchaser's breach, and then to the payment of any other indebtedness owing to Superior, including without limitation, commissions, handling charges, the expenses of both sales, reasonable legal fees and collection agency fees and any other costs or expenses incurred hereunder. If a lot or item is not paid for, and is sold by Superior for purchaser's account, in accordance with the Uniform Commercial Code, Superior shall not be required to account to the purchaser for any excess proceeds. Purchaser is also liable to Superior if the proceeds will be remitted to the purchaser after first deducting the expenses set forth above. If purchaser fails to remit sums due to Superior, purchaser grants to Superior property of purchaser including any future goods of purchaser coming into possession of Superior. Purchaser hereby waives all the requirements of notice, advertisement and disposition of proceeds required by law.

36. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditions of sale.

37. By bidding in this sale the bidder acknowledges as follows: Grading is an art and not a science. The grades herein represent the opinion of Superior based upon the firm's experience. It is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and will most likely continue to do so in the future. Each bidder's own examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. Coins sealed in soft plastic holders are not intended for long term storage. We recommend that all coins be transferred into inert plastic holders. Superior assumes no liability for numismatic items following the sale. Bidders who examine lots prior to the sale assume liability for any damage caused thereto.

AS STATED IN THE TERMS OF SALE:

Certain lots may be reserved by the consignor. If the Auctioneer identifies a consignor bidding on his own property an announcement will be made that the consignor is now bidding. If the consignor places a bid in the mail bid book and is successful, the auctioneer will announce that the item has been passed.

Prices Realized

Shortly after the sale a listing of the prices realized for this auction will be published and distributed to the subscribers of this catalog. Those lots which were reacquired by the consignor according to Superior's records will be omitted.

Certified Coins

Coins listed in catalog as graded by PCGS or NGC may not be returned for any reason.

Treasure Ship Reijgersdaal

The following group of Pillar 8 Reales are from the Treasure Ship Reijgersdaal. The Dutch East India trader Reijgersdaal perished in a storm off the South African coast on her outbound voyage from Amsterdam in 1747. The complete tale of this story is highlighted in our June 1992 sale. Group "A" coins are boldly struck, virtually "as made," showing only the effects of cleaning and recoloring with a sulfur-based toning solution. The following examples offered come form the Group A category. These coins were hand-picked as the best of the Group A hoard.
